***Journal of Mechanical & Electrical Engineering* paper copyright transfer confirmation**

Paper Number:

Essay topic:

The copyright owners of the above paper (hereinafter referred to as the authors of the paper) voluntarily transfer the copyright of the paper to *Journal of Mechanical & Electrical* magazine (hereinafter referred to as the magazine), and clarify the relevant issues as follows:

1. The authors of the paper guarantee that the paper is an original work and does not involve confidential document leakage. In the event of infringement or leakage, all responsibilities shall be assumed by the authors of the paper.
2. The authors of the paper guarantee that the paper does not have multiple submissions. In the event of multiple submissions, all responsibilities shall be assumed by the authors of the paper.
3. The authors of the paper guarantees that there is no dispute about the signed author, the ranking, contact person, and author unit of the paper. In the event of a dispute over the authorship rights, all responsibilities shall be assumed by the authors of the paper.
4. The authors of the paper voluntarily transfers the compilation rights (part or all of the paper), translation rights, printing and electronic reproduction rights, network communication rights and distribution rights of the paper to the magazine.
5. According to Article 4 of this confirmation letter, the authors of the paper may no longer permit others to use it in any way, but the authors of the paper can quote (or translate) part of the content of the paper in his subsequent works or compile it in non-periodical collections of essays.
6. If the paper author receives a rejection notice, this confirmation will automatically terminate. If the author of the paper does not receive any opinions on the handling of the paper from the magazine within 3 months, the paper can be processed separately after a declaration to the magazine, and this confirmation will be automatically terminated.
7. Before the first publication of the paper in *Journal of Mechanical & Electrical Engineering* (regardless of its form), the magazine will charge the author of the paper a one-time page fee

according to the magazine's charging standard. If the magazine publishes the paper in another form, it will no longer charge the paper authors' page fee.

8. After the first publication of the paper in *Journal of Mechanical & Electrical Engineering* (regardless of its form), the magazine will pay the authors of the paper a one-time remuneration according to the magazine's manuscript fee, and will give the authors sample journals. If the magazine publishes the paper in another form, the magazine will no longer pay the author's remuneration.

9. This confirmation is effective from the date of signature, and the place of performance is Hangzhou.

10. For other unsettled matters, if disputes arise, the both sides will negotiate and resolve them; if the negotiation fails, they will be dealt with in accordance with the Copyright Law of the People's Republic of China and relevant laws and regulations.

11. The matters decided to be transferred in this confirmation letter have been approved by all authors and signed by the first author and the corresponding author of this paper as representatives.
